

## PROTAGE WP6 Final Demonstration

WP6 Demonstration should be future oriented and focus on new functionalities.

### Open-ended Questions

**Q1.**What is your general impression of the PROTAGE prototype?

**Q2.**What do you think about the functionalities:

- a. Download and Execute Action Plans
- b. Advanced search of Action Plans with Profile
- c. Advanced search of Action Plans with Trust
- d. Migration support/File format information

For each of them:

- 1. Is it of interest for you/your organisation
- 2. How can it be improved
- 3. Would the Protage prototype be able to improve digital preservation performance / our private need of preserving digital files

**Q3.**How could you imagine the continued development of the PROTAGE prototype?

**Q4.** What possibilities of integration of the PROTAGE functions with other preservation tools can you see?

**Q5.** Other reflections, thoughts or ideas that you would like to share with the PROTAGE consortium?

The PROTAGE project and consortium is very grateful for your contribution. Thank you!
